

Congregational Prayer Requests

Combined Service January 29, 2012

Faith Community

- Pray for wisdom and discernment as we seek to consistently follow God's best plan for our congregation.
- Pray that we will experience a renewed hunger for God's word and a fresh commitment to prayer.
- Pray for creativity as we seek practical ways to live out the ideals in our vision statement.
- Praise God with us for the faithful involvement of most of our congregation in some form of ministry, both in the church and in the larger community.

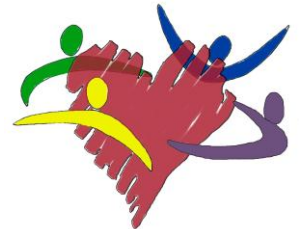

Common Ground

- Join us in praising God for the many new people participating with us!
- Pray for the formation of more small groups and for leaders for those groups.
- Pray for wisdom and discernment as our congregation continues to grow and what the next steps might be in that growth.
- Pray for strength and endurance for our many leaders and volunteers serving regularly as well as for more to join in.

Amor y Fe

- For additional evangelistic home-groups to form so that new people will be reached for Christ every week.
- That the vision and plans for growth of the leadership will be blessed with God's favor and the congregation's numbers will increase.
- For multiplication of new leaders joining us to serve our Lord Jesus!
- That new women will come for the Gala Dinner coming up on Feb 18th and be impacted and blessed by this special evangelistic dinner.
- For evangelistic meetings on 3 consecutive nights in March.
- That those who have made decisions for Christ will be rooted and grow in Amor y Fe.
- Praise God for the blessing of good relationships between the Amor y Fe families.

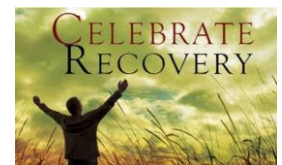

Asian Grace

- For the congregation - especially the leaders for the men's, women's, and youth ministries - to work together and communicate well with each other.
- For guidance as we seek to hire a pastor in the future.
- For the leadership team (Nixon, Souk, and Soukan) as they do their best to facilitate communication with the larger Butler Church family.
- For mission work among the Khmu people: For PhoneKeo and Chansone Keovilay and their work in Thailand, and for our vision to reach people in Laos - for missionaries to serve and for openness of government officials.
- For healing for Gary Siriyamonkham and continued health issues.
- For the youth as they desire to learn more about their own languages and work to learn to read and write in Lao and Khmu.

Celebrate Recovery

- For the development of a teen program. There are several older kids from the neighborhood that would attend if there were leaders to run the program.
- For more volunteers to help with set-up & clean-up, and meal preparation.
- For the ladies who are meeting weekly for an in-depth "step study" for 10-12 months.
- For the CR worship team which is just forming!

Prayer cards with translation in Spanish and Lao are available from the church office or on Sunday mornings.
